Christopher Smith joins Constellation Wealth Advisors as principal

Rye resident Christopher Smith has joined Constellation Wealth Advisors, an independent multi-family investment office in New York, as principal. Smith has more than 25 years of Wall Street experience and will be responsible for ultra high net worth business development.

Smith, a Constellation client since 2008, said: "My family has experienced Constellation's high quality customer service and investment advice for some time now and I am thrilled to be part of the team."

Constellation is committed to long term relationships with client families to help them reach and maintain their life goals and to simplify the inevitable complexities that come with wealth.

Prior to Constellation, Smith was the Director of the Corporate Client Group at RBC Capital Markets. Before that he was a member of the NYSE for more than 20 years, serving as a Senior Managing Director for LaBranche & Co.

He has a B.S. and an MBA from Fordham University and has served on Fordham's Graduate School of Business Advisory Board. The Smith family is involved in many charitable organizations including Habitat for Humanity, Fordham Prep and the Cystic Fibrosis Foundation. Chris and his wife Ellen reside in Rye with their three children.
